

KING LOVERR

BAND STORY

"

"King Loverr" type his name in any search engine whether goggle, or yahoo he's everywhere. With his music page on showcaseyourmusic.com having over 14,000 views, and over 400 comments which could be seen by pressing where it says "Show all", and a support group on Facebook which has over 700 members growing day by day "King Loverr" is a star on the rise. Releasing my first mixtape in 2008 entitled "Lost In The Quiet Storm" "King Loverr" has become an instant hit with fans who still love those smooth sexy slow jams. With that romantic touch that R&B needs so much "King Loverr" is much needed to the R&B game. Compared to singers such as the Late Barry White, Will Downing, and the Late Isaac Hayes this singer was made for romantic ballads. His smooth yet meaningful approach to songs makes his message easy on the ears, and puts women in the mood for love. So if love you R&B ballads look no further let " King Loverr" sing for you, and you' ll see why he' s " The King of Romance".
