

Xubie

BAND STORY

"

Been producing for not that long but just tryin to stay fresh and unique with my own style. I'm looking to work with artists or producers, so let me know what's good. Check out www.soundclick.com/xubie for the full list of beats produced by me, Jay Xu. If you see something you'd like to lease or work with me on, hit me back with a message. As far as leasing goes Non Exclusive Rights: Non Exclusive Rights allow you to use the beat for commercial recording (for example a mixtape or an album you want to sell). You may also use the beat for non-commercial purposes. When someone buys the Exclusive Rights to the beat you have purchased, your rights shall still stand and the beat is still yours to use. Upon purchasing Non Exclusive Rights, Xubie still owns the beat and is able to resell the beat to any other person until Exclusive Rights have been purchased. You must however give full credit to Xubie on all commercial recordings. Exclusive Rights: With buying Exclusive Rights to a beat, you have the right to use the beat for any recording you want to. Xubie may no longer sell the beat, except for prior Non Exclusive Rights holders. You must however give full credit to Xubie on all commercial recordings. You may not resell the beat. Contact me for more information. We can talk prices in private (most times free) but haha. Peace thnx for checkin out my site and Leave a comment lemme know what you think.
