-  **First The Business Mixtape Intro**
-  **Rainy Days DH feat Myth**

In my younger days I was a member of the Hottest duo coming out of Troy, NC and Brooklyn NY, the Booda Angels! Big up to Kaymen (Gizz)

As I got older and more wiser I stepped into the business side of the music and created FTB Records (First The Business, F*&k The Bulls^%t)

Now I produce, find new talent, develop, then introduce to the world, hold promotional events throughout North Carolina and everything else to make sure FTB is positioned and headed toward the right direction to take over this crazy music industry!
