## BAND STORY

"

Victor Scott Jr. a.k.a Was born May 6th 1988 in Milwaukee, WI Victor father passed when he was Six, and it was hard for him to cope with his role model death. So Victor stayed locked in in his own world and became unsatisfied about how life works. When Victor turned 11yrs old he end up heading down the wrong path and was drawn to the Streets and gangs. As he grinded and hustled, the more knowledge and a better understanding of how life works became clear to him. Moving back and forward from the Mil. To Racine and Chi-Town. He ran the street at a young age and the hood called him " Vicious" by how he carries his self, just like a Pit Bull. But if you know him he is just one real, cool down to earth person you would want to meet, just getting to the money. He is the type that stays to himself and don' t start no trouble but he is not running from it either. Victor had a lot of wins and losses in the hood with his New Life he had chosen and DEATH was soon in he' s corner, but he open his eyes and look up and had an epiphany, that he' s life is a true story and he should let it be told to the world, so at the age of 17 his mother Antoinette Davis packed there bags and moved to Atlanta Ga. Which turned out to be a great turn over for Victor? This is where he came upon a special Diamond in his eye and started pursuing his dream, his destiny and now is following his idols which is 2Pac,Bone Thug & Harmony Pimp C and Twista' s foot-steps and began writing his raps and recording his music .
